Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that in our professional judgment were of most significance in our audit of the financial statements of the current period. These matters we addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. No such matters were identified during the course of our audit.

Emphasis of Matter Paragraph

1. Trade Receivables:

Trade receivables amounting to ₹52,79,284 have remained outstanding for a period exceeding three years. The management has reported that the concerned parties are untraceable despite repeated follow-ups. Accordingly, the management has decided to write off the said receivables as per note no.9 as it's irrecoverable during the year.

2. Rent Receivable:

The management confirmed that rent receivable amounting to ₹1,52,000 could not be recovered, as the party remains untraceable. Consequently, the management has resolved to adjust the outstanding rent receivable against the advance paid to the said party, and the remaining balance has been written off as per note.24 during the year.

3. Impairment of computer and software Assets:

The computer and software assets were found to be non-functional and not in usable condition for over a year. Based on the evaluation conducted by the management, these assets have been scrapped, resulting in a recognized loss of ₹1,48,75,758 during the year as per accounting policy no.3.

4. Investment in subsidiaries incorporated in USA and Singapore:

As per note no.8, the subsidiaries incorporated in the United States of America and Singapore have incurred continuous losses during the year under review, resulting in the diminution of the carrying value of the investments. The investment in the USA subsidiary has been valued at USD 100, and the investment in the Singapore subsidiary has been fully impaired to ₹0. The corresponding loss has been recognized in the statement of profit and loss for the year.

5. Prior Period Item:

An amount of ₹12,06,291.20 under commission charges has been incurred which is prior period item.

6. Write-off of Balances:

The management has written off the balances during the year due to the inability to trace the counterparties referred in:

- Loan from others: ₹37,68,434
- Other Payable: ₹16,00,000
- Advance to Suppliers: ₹53,43,390

Upon necessary due diligence and verification procedures, management concluded that these amounts were irrecoverable and accordingly, they have been written off in the books of account.

Our opinion is not Qualified based on the above points mentioned.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- i. Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company;
- ii. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent Limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of audited financial results, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our opinion is not modified in respect of these matters.
